The University of Hong Kong  
Department of Psychology  
An Overview of Independent Study in Psychology (PSYC4007)

(For psychology major) Students will each conduct an independent empirical research project. Regular attendance for research supervision is required. The project write-up should be about 8,000 to 10,000 words (exclusive of tables, bibliographies and appendices) and should follow the practice of communication in top psychology journals. Approval by Departmental Head is required for admissions into this course. Assessment: 100% coursework. Prerequisites: PSYC1001 and PSYC1004 and PSYC2060.

**Objective**

The course aims at preparing students to plan, conduct an independent empirical research project in Psychology. A thesis writing or an independent research project is usually required by postgraduate programme(s).

**Supervision**

You will do an individual research project under the supervision of an advanced research postgraduate student or a demonstrator.

**The Project**

This will be a good learning opportunity to aim at writing up a high standard and a publishable article. Your project should be written like a journal article including:

- Title Page
- Table of Contents
- Abstract
- Acknowledgement (if needed)
- Introduction
- Methodology
- Results
- Discussion
- Conclusion
- Reference

The grading criteria will be based on:

- Knowledge of the research topic 10%
- Critical analysis 20%
- Potential contribution and significance 10%
- Design of study 20%
- Data analysis and presentation 20%
- Writing and organization 20%
Application

A student, who wants to take this course in the final year, will need to submit an online Research Area Ranking Form before the end of enrollment period in August. Please rank the order of research areas to indicate your preferences for supervision assignment on the form. The results of supervisor assignment will be announced before the end of add/drop period. Late application will not be considered.

If you will participate in an exchange program and want to take PSYC4007 in the same year, you have to seek prior approval by completing a “Special Approval Form” for the special arrangement before the end of enrollment period in August. Late application will not be considered.

Ethics Application

All undergraduate research is required to undergo ethics review by the Departmental Research Ethics Committee. Applications should be submitted on or before 15th November.

Students on exchange to overseas and have applied to start doing their project in the 2nd semester, have to submit their application on or before 1st March.

Late submission will be penalized. Failure to submit an ethics application will lead to a failure in the course. Please read the Overview of Ethics Application for more details.

Presentation of Research Project Proposal

Around the end of November or early December, each student has to present his/her research project proposal to a small group of fellow students and one member of the departmental teaching staff. Each presentation and discussion will last about 20 minutes. This offers each student an opportunity to get more input before finalizing the research design for data collection.
Submission of IS report

1. Please submit your IS report to Moodle before the deadline.
   
a) Please submit in one single file in PDF format including all the chapters.
b) All covering pages, pictures, tables and charts must be included in appropriate position of the file.
c) There is no need to submit SPSS, Excel or other files separately.

2. The deadline of submission is **23:59, 15th April**.
   If the submission day is a holiday, it will be postponed to the following working day.

3. The penalty for late submission is one mark for each calendar day, including Saturday, Sunday and public holidays.

4. Requests for deadline extension will not be permitted, except for medical reasons. Prior approval must be sought from the Department with supporting documents issued by a health professional and supervisor's consent.

5. All borrowed past theses or ARM/IS projects must be returned to the General Office on or before the deadline.

6. Make sure that due acknowledgement is given when referring or quoting from literature, books, webpages, essays or any other information sources.
