Sciences in the field
of Psychology*

2022-2023
admission

One-year full-time / Two-year part-time

The Master of Social Sciences in Psychology (MSocSc in Psychology)

provides university graduates with an opportunity to acquire solid foundation in psychology. It is designed to bring students to a level where they qualify for graduate membership of the Hong Kong Psychological Society, and become eligible to apply for programmes leading to the degrees of MSocSc in Clinical Psychology and in Educational Psychology, as well as the research postgraduate degrees in psychology, if students have successfully completed courses according to the requirements of different programmes.

Applicants with
or without
Psychology
background are
**BOTH
WELCOME!**
