

UNDERGRADUATED 1972

	<u>Name</u>	<u>Thesis Title</u>
1.	Chan Hing-wah	Housing environment & litter-throwing
2.	Chan Man Lai, Florence	Survey of study habits and attitudes of Hong Kong high school and University students
3.	Chau Kit Hung, Alice	The attitude of Chinese males or some aspect of child rearing and filial piety - An exploratory study
4.	Funk, Peggy	Visual and auditory sequential memory in Chinese and European children
5.	Ho Kwok Yan, Joseph	With equal intelligence, performance will be affected by the subjects' different attitudes
6.	Jim Davidson	Phonemic analysis of glossolalia
7.	Lai, Andy	Advertisements and brand image (A study of cigarette advertisements)
8.	Lam Man Yee, Violet	Advertisements and brand images (A study of cigarettes advertisements)
9.	Lam Yik May, Lily	The ability of colour naming and colour discrimination in young children aged 3 - 7
10.	Lee, Christina	Study habits and attitudes of students in Hong Kong
11.	Lee Suk Han, Edith	Field-independence: Its relationship with art/science specialization and measures of general intelligence
12.	Lee Suk Wai, Alexandra	Language deficiency & intellectual development in deaf children

UNDERGRADUATED 1972

	<u>Name</u>	<u>Thesis Title</u>
13.	Leung Kam Mee	A study of the differential effect of streamed and non-streamed secondary school on achievement motivation and anxiety
14.	Leung Mo Yee, Frances	The effects of age, intelligence and socialization on the performance of conservation tasks
15.	Lui yuen Ha, Maria	A study concerning the concept of conservation among Chinese children in Hong Kong
16.	Ng Quinn, Wendy	A study of colour preference among Hong Kong sixth form students
17.	Pan Hsing Duk, Jean	The effect of environmental noise on attention
18.	Pang, Doris	Intergenerational comparison of child rearing practises of the Chinese in Hong Kong
19.	Shum Kit Hing	The relation between personality assessment system profiles and N-Scale of maudsiey personality inventory
20.	Siu, Susanna Pang, Doris Fan Tak Yat	An intergenerational comparison of the child-rearing practices of the Chinese in Hong Kong
21.	Tang Sau Tsun	Psychological distance in ten deaf children
22.	Tso Hoi Yin, Esther	The relationship between personality and attitude towards littering

UNDERGRADUATED 1972

	<u>Name</u>	<u>Thesis Title</u>
23.	Tso Hoi Yin Cheng Shui Mui Chan Hing Wah	The general questionnaire
24.	Yeung Pik Kee	Effects of attention strategies on young children in simple estimation tasks
25.	Yuen Tak Fai	Survey of study habits and attitudes

UNDERGRADUATED 1973

<u>Name</u>	<u>Thesis Title</u>
1. Au Wai Hung, Theresa	Achievement motivation, affiliation motivation and risk-taking behavior
2. Ayesha, Osman	The differential effects of streaming and non-streaming on the level of achievement motivation and anxiety in Hong Kong Secondary Schools
3. Cheung Wai Lun, Wallen	Pictorial depth perception among Hong Kong Chinese fisherman children
4. Cheung Wing Sum, A.	Personality differences between third year students of arts and medicine faculty
5. Chik Kai Ming, Aaron	Interpersonal communication in small groups
6. Ho Mun Wan, Audrey	Imprinting in ducklings as a function of color preference
7. Ip Shu Kwan, Stephen	Attitude differences between students entering different faculties
8. Lam Hin Leung	An attempt to testify the instigation/catharsis hypothesis of aggression
9. Lam King Cheung, Jannie	Interests and problems of Chinese late adolescents
10. Lee Wai Him	Interpersonal communication in small groups
11. Lee Yip Ching, Philip	World minded attitudes of Hong Kong University students
12. Leung Yuen Mei, Joan	Color naming and color discrimination of preschool and school children from 3 to 7 years old

UNDERGRADUATED 1973

<u>Name</u>	<u>Thesis Title</u>
13. Lo, Peggy	Reinforcement and children's concept learning
14. Lo Ping Hin, Brenda	A classification of laterality of the Chinese through association analysis
15. Ma Ka Lin, Kathleen	Attitudes toward Chinese and English language: an experimental study
16. Ma Kit Han, Jenny	Effect of attention strategies on estimation-based inference tasks
17. Ma Yee Kit, Agnes Lee Hui Chun, Margaret	The influence of parental attitude on the early experience and the socialization of cognitive modes in 4-year-old children
18. Ng Chiu Koon, Dicky	Social distance and traditional-modern attitude
19. Ng Kit Fong, Margaret	Developmental patterns in pictorial depth perception and spatial organization among Hong Kong Chinese children
20. Quah Tsui Ling	A study of aggressive behavior and living environment in Hong Kong Society
21. Shum Man Ling	A study of aggressive behavior and living conditions in Hong Kong Society
22. Sung Mei Hung, Morna	Teacher-student interaction and T-M attitude formation
23. Tang Yee Man	Communicator credibility and discrepancy as determinants of attitude change

UNDERGRADUATE 1973

	<u>Name</u>	<u>Thesis Title</u>
24.	Tsui Ann Nei, Anne	A study of the differential effects of streamed and non-streamed secondary schools on achievement motivation and anxiety
25.	Wong Ka Lun, Alan	Interpersonal communication in small groups
26.	Wong Lo Tak	The influence of personality characteristics, culture and sex on color preference
27.	Wong Sau Chung	A survey on bilingualism and language of instruction in Hong Kong in relation to her socio-cultural setting: findings and problems
28.	Wong Wai, Eunice	An experimental study of competitiveness in young children
29.	Woo Yuk Shan	A peer-rating study of aggressive acts performed in school in relation to T.V. violence among primary school children
30.	Yan K.L., Rudolf	Survey on occupational values of Hong Kong students

UNDERGRADUATED 1974

<u>Name</u>	<u>Thesis Title</u>
1. Chan Wai-tak, Philip	The differential effects of rural and urban upbringing on the development of cognitive style in Hong Kong
2. Chan Wing Yan	Motion parallax in the visual cliff situation
3. Chan Won Shing, Raymond	A comparative study of secondary reinforcement and social power theories in child imitative behavior
4. Chang Cheong Wah	An evaluation of the effect of social work intervention through play groups as a means of lessening the anxiety of hospitalized children
5. Cheung Wai King, Lilian	A study of the relationship between academic achievement and creativity among primary five Chinese students in Hong Kong
6. Chou Yuek Lan, Irene	Effect on experience – modification of visual cliff performance and albino rats
7. Fung Yuet Shan, Julia	The relationship between the degree of rigidity of personality and competence of problem solving
8. Ip, Elizabeth	The colour perception of the visually handicapped and the normal-sighted
9. Kam Tak Yung, Cynthia	Job motivation at different occupational levels of the white-collar workers in Hong Kong
10. Lam May Ho, Mabel	A study of job satisfaction on female secretaries of this university

UNDERGRADUATED 1974

<u>Name</u>	<u>Thesis Title</u>
11. Law, Milly	Three dimensional pictorial perception
12. Lee, Patty	Curiosity and exploratory behavior
13. Leung Sui Ying	Home and institution
14. Louie Bun Hei, Sosco	The effect of chlorpromazine on learning: acquisition, response strength, and extinction
15. Lui Yi Fong, Emily	The interlingual interference of the Chinese-English bilinguals in Hong Kong as measured by the stroop colour-word test
16. Ma Margaret	Sex-role stereotypes and their implication
17. Ng Hon Wah	Relationship between employee participation and job satisfaction
18. Ng Mei San	A study of the Q – score of porteus maze test as an instrument of acting – out tendencies
19. Ng Tin Yau, Alfred	The predictive value of palmistry in the study of personality
20. Yik Koon Yin, Bernard	Chick's avoidance of visual pitfalls: a re-examination of the visual cliff findings
21. Yip Siu Hiu	The value of palmistry in the study of personality
22. Yu, Eleanor	The motivator hygiene theory in Hong Kong secretaries
23. Chung Hau-fong, Riat	Need achievement in women problems of role conflict between home and work

UNDERGRADUATED 1975

<u>Name</u>	<u>Thesis Title</u>
1. Au Keung, Albert	Examination on cross-cultural validity of experimental aesthetics with auditory stimulus
2. Au Yeung Hang Yee	The measurement of content factors to advertising effectiveness
3. Chan Kar Ming, Ronnie Anthony	The concurrent validity model and personnel selection
4. Chan Kwan Yee, Louisa	An investigation of changing mores in Hong Kong using the Cantonese semantic differential scales
5. Chan Sing Chak	The validity of concurrent selection model
6. Chan Sui Fun, Nancy	Cross-modality validation of Berlyne's experimental aesthetics
7. Chang Cheong Min	Industrial psychology
8. Cheung Kwai Ying, Elise	The effect of different kinds of medium on understanding and memory
9. Chick Bik Wah, Peggy	Experimental investigation concerning effects of medium differences on memory and understanding
10. Chin Yung Kit, Alice	The prevalence of problems in junior high-school pupils and parental attitudes towards children's academic performance in Hong Kong
11. Chung Mo Lan, Mary Agnes	Adolescent problems in Hong Kong students

UNDERGRADUATED 1975

<u>Name</u>	<u>Thesis Title</u>
12. Ho Chi Kwan, Alice	To find a positive relationship between nonverbal sensitivity and predictive accuracy
13. Ho Seck Yee, Elsie	The relationship between differences in cognitive styles and the process of identification
14. Hui Yee Lan, Sylvia	Adolescent problems in the secondary school students of Hong Kong
15. Kwan Dik Keung, Derek	Paivio's Dual Coding Hypothesis – the effect of variations in stimulus concreteness, task and experimental manipulation on recall
16. Kwok Wai Ching	Attachment, exploration, and separation: Illustrated by the behaviour of one-two-year-olds in a strange situation
17. Lam Kwun Ho, Patricia	Study on stereotyping in the residential hostels in University of Hong Kong
18. Lam Lai Kuen, Amy	To find the relationship between nonverbal sensitivity and predictive accuracy
19. Lam Siu Ling, Imelda	Conceptual thinking and visual ability of the deaf
20. Lam Wai Yu	The effect of the interaction between sex of adult experimenter and sex of child subject in a social reinforcement situation on the children's susceptibility to adult verbal praise
21. Lau, Mona	A psychological study of the determinants of occupational choice and work adjustment of disabled and nondisabled in watch making
22. Lee Chung Hing, Peter	A test of the contingency model in classroom groups

UNDERGRADUATED 1975

<u>Name</u>	<u>Thesis Title</u>
23. Lee Oi Siu, Berta	The attachment bond, separation anxiety and exploratory behavior of infants in a strange situation
24. Leung Fung Ha, Teresa	Social reinforcement with children (7-8 years old) as a function of sex of E and sex of S
25. Leung Sin Ying, Betty	Prevalence of problems in junior high school pupils and parental attitudes towards children's academic performance in Hong Kong
26. Leung Wing Lai	A study on the effects of streaming on children's self-perception and teachers' attitudes toward it
27. Li Kam Wah	The detection of sexual differences in sado-masochistic tendencies and recognition in the Chinese Community of Hong Kong
28. Li Tsui Sheung	Study on stereotyping in the residential hostels in University of Hong Kong
29. Lo Haw Yee	Conceptual thinking and visual ability of the deaf
30. Lo Lai Ping, Laurence	The effect of streaming on the self-image on primary school pupils in Hong Kong
31. Loi Sau Kok, Teresa	A study of achievement motivation and its interaction effect with affiliating motivation
32. Ma Kit Ching, Veronica	Conceptual thinking and visual ability of the deaf

UNDERGRADUATED 1975

<u>Name</u>	<u>Thesis Title</u>
33. Ngai Juling	Note-taking behaviour and retroactive interference in meaningful prose learning in classroom situation
34. Pan Hong Tak, Kant	The effect of the communicator and the mode of transmission in effective communication
35. So Chan Ying, Peggy	A study on the stereotyping of residential halls of the University of Hong Kong
36. So Po Yuen, Cynthia	The relationship between adjective order meaningfulness of phrases as manifested by the performance of bilingual subjects
37. Tang Hon Chung, Robert	A study on the job attitudes of final year students of University of Hong Kong
38. Teng Wei Wun, Anne	The retinal field
39. Tong Yuk Ching, Etta	Attachment bond and exploratory behavior of one to two years old infants in a strange situation
40. Tse, Terry	Fear of success in Chinese women: a Hong Kong study
41. Wong Wing Yiu, Winne	Development of fear of failure motivation in Hong Kong children
42. Wong Yuet Ming, Andrey	Childhood development of fear of failure motivation in Hong Kong
43. Wong Yuen Wah	The effectiveness of advertisements

UNDERGRADUATED 1975

<u>Name</u>	<u>Thesis Title</u>
44. Woo Yu Chun, Eugenie	Relationship between parental distance and cognitive styles as a function of identification
45. Yeung Kam Fung	The prevalent problems in junior high school pupils and parental attitudes towards children's academic performance in Hong Kong
46. Yuk Tak Fun	A study on streaming in Hong Kong with its psychological and social implication

UNDERGRADUATED 1976

<u>Name</u>	<u>Thesis Title</u>
1. Au Yiu Hing Chan Ping Kwong Chiu Yon Chen	Effect of arts-science specialization on cognitive bias
2. Chan Ching Wan Szeto Siu Hing	Relationship between arousal, introversion-extraversion and RFT performance
3. Chan Chui Ngan, Agnes Liu Fung Yee, Loretta Tsang Ka Tat, Adolf	How introverts/extraverts handle personal space
4. Chan Miu Ha, Miranda Cheung Tak Mei, Helen	Attribution of person concepts
5. Cheng Man Fai	A correlational study of attitude towards woman and perceptual defence
6. Cheung May Wan, May	Extraversion, neuroticism and arousal as measured by EEG and heart rate under different arousing conditions
7. Chiang Yuk Wan, Sylvia Luk Yee, Nellie	Acculturation as an influence on the semantic relationship between the two Lee language of a bilingual
8. Choi Nam Fung, Amy	The social ecology of fixed-seating arrangements in a small group interaction context

UNDERGRADUATED 1976

<u>Name</u>	<u>Thesis Title</u>
9. Hui Chi Chiu, Harry	Purpose in life and conversion to the christian faith
10. Hui Kam Ping, Edith Leung Kit Ping, Katherine	Influence of angles and fins on Muller-Lyer illusion
11. Ip Yin Sum, Frances Kwok Woon Yee, Clara	The impact of spastic children on their families
12. Kot Chi Fun, June Hong Li Shing Fu Loo Wing Hing, Ellen Ma Siu Wan, Connie	Relationship between religiosity, alienation and need of affiliation among Kong matriculands
